

JAMES SMITH CREE NATION PSSSP Tutor form

The JSCN offers tutor assistance for our post-secondary students at the request of the post-secondary institution they attend. Some institutions offer an (X) amount of tutoring hours each semester as part of the institutions program services. The (X) amount of tutoring hours must be exhausted by the JSCN PSSSP sponsored student prior to the JSCN PSSSP program paying for the extended tutoring services. The JSCN does assist the students in need of the help according to due process. The JSCN PSSSP must keep records from all PSSSP program areas for report requirements from granting agencies.
